Dear Worr Motorsport Management and Team,

On behalf of the Ntate Jane Foundation, we would like to extend our heartfelt gratitude for your generous donations and for making the time to attend our recent food drive event. Your contribution has profoundly impacted the lives of 15 child-headed households, providing them with much-needed resources and renewed hope for a brighter future.

We are especially thankful to your management and team for dedicating time to join us and motivate the children. The energy, compassion, and encouragement you brought to the event gave these young individuals a glimpse into a world of possibilities they never imagined existed.

Your generosity and active participation remind us of the power of collaboration and kindness. The legacy of care and inspiration you have left behind will undoubtedly continue to ripple through their lives.

It is partnerships like this that make meaningful change possible. Thank you for standing with us and demonstrating the spirit of unity and purpose.

Together, **We Are Worr.**

Warm Regards,

MAHADI MOSIA
CEO & FOUNDER

**THANK
YOU**
